Emergency furnace repair

Rheem

Certified dealer

Fast

Call-back and booking flow

Clear services homeowners are already searching for.

Each service area can become its own Google-friendly page so Eakins can compete for more local searches.

Furnace Repair

Emergency repair, preventative maintenance, and replacement support when heat matters most.

Air Conditioning

AC service, maintenance, and installation help for Peterborough homes and businesses.

Duct Work & HVAC

Ventilation, duct cleaning, maintenance, and full HVAC solutions for comfort and efficiency.

No heat? Don't wait.

Emergency furnace repair should be one tap away on mobile — especially during peak winter demand.

Call Eakins Now

Built to earn trust before the first phone call.

The refresh makes the business feel more established, easier to contact, and more credible on mobile — where most urgent HVAC searches happen.

- ✓ Stronger headline and emergency call-to-action
- ✓ Review/testimonial section ready to grow over time
- ✓ Trust signals: local, Rheem dealer, workmanship, years in business
- ✓ Simple request form that can trigger automated follow-up
- ✓ Optional AI voice assistant for overflow and after-hours calls
- ✓ Service pages structured for local Google searches

Reviews should become a growth asset.

This section becomes more powerful as the review request system brings in fresh customer proof.

"Fast response, professional service, and got our heat back on quickly."

Local homeowner

"Clear communication and quality workmanship from start to finish."

Peterborough customer

"Exactly the kind of local company you want when something breaks."

Service customer

Ready to make your online presence match the business?

This homepage refresh is the front-end piece. The real value comes when it connects to reviews, missed-call text back, optional AI voice answering, booking, and follow-up automation.
